Our goal is to create a friendly and approachable academy and environment, a strong network, whereby its members (including senior worldwide scholars, faculty members, doctorate students, researchers and business practitioners) are guiding and mentoring each other. Some of the conference distinctions are:

- A. Publication Opportunities,
- B. ISI and ISBN Conference Book of Proceedings (under Citation Index),
- C. Authors' Networking and Collaboration Workshop, and
- D. Meet the Editors Session)

Further, participants attend at the conference's Research Project Workshop in order to meet, improve research, collaborate with others and apply for EU project funding.
